The "Prom'Classic" has become the must-attend event of the year for all 10Km running enthusiasts. With 15,000 participants, the 2026 edition was an undeniable success.

Despite the freezing cold, the Nice Institute of Chemistry (ICN) didn't miss this opportunity to show off their legs and put their running shoes to good use on the Promenade des Anglais.

A big thank you to all the participants and to the ICN management for their support in making this event a success.

For those who want to join the ICN team, get their running shoes ready for the 2027 edition, and have a great time, don't hesitate to join the WhatsApp group "Team ICN – UMR 7272"
